

CURE FOR HAY FEVER.

Rickert & Wells Say Hyomei Will Give Relief—Sold Under Guarantee.

The season for hay fever is almost at hand and many people feel that they will be obliged to leave town in order to avoid the sneezing, watery eyes and other annoying symptoms of this disagreeable summer disease.

Rickert & Wells wish to announce that when Hyomei is used, either as a preventive or cure, there will be no hay fever. We advise the use of Hyomei daily for two or three weeks before the usual time for the annual appearance of hay fever. In this way, the attack will be prevented. If, however, the preventive treatment was not started soon enough and the disease comes on, use Hyomei six or seven times daily, and also rub Hyomei Balm thoroughly into the nostrils both morning and night. This treatment will relieve at once and give a speedy and permanent cure.

Hyomei actually brings into your own home, a climate filled with ozone and healing balsams, the same air that one breathes at the White Mountains or other health resorts.

There is no stomach dosing when Hyomei is used. It is Nature's own method for curing all diseases of the respiratory organs, and is breathed through a neat pocket inhaler that accompanies every outfit, so that the medicated air reaches the minutest air cells, killing all germs and soothing and healing the irritated mucous membrane.

It is the one treatment for hay fever where Rickert & Wells guarantee to refund the money if it does not give satisfaction. All who are subject to hay fever should begin its use at once so as to prevent the disease.

TERRELL ON LYON LAW.

Governor of Georgia Indorses President Roosevelt's Letter.

Atlanta, Ga., Aug. 11.—Governor Terrell has indorsed the contents of President Roosevelt's letter to Governor Durburn of Indiana in regard to the recent action of Governor Durburn to prevent lynchings in that state in the following signed statement:

"I think President Roosevelt is on the right line and I am in hearty accord with the views he expresses. The majesty of the law should be upheld, but at the same time there should be a prompt and speedy trial of the offenders in the case of that crime which most frequently excites the anger of mobs and leads to lynchings, and the punishment should not be delayed by technicalities.

"We have so amended our criminal laws in Georgia as to have speedy trials by authorizing our judges to order a special term of the court to try criminals.

"No law, however strictly enforced, will absolutely stop lynchings for rape, but speedy trials tend to lessen the number and practically serve as a preventive of lynchings for other offenses.

"It is interesting in this connection to note that the numerous lynchings in the north and northwest of late have brought forth such an expression from the president, while the number of them in the south has been so few within the same period as to attract little or no attention."

The Jett-White Trial.

Cynthiana, Ky., Aug. 11.—The thirteenth day of the trial of Curtis Jett and Thomas White, charged with the killing of J. B. Marcum, was opened by an argument for the defense by Judge W. T. Lafferty. He devoted much time to the testimony of Ewen, the chief witness for the prosecution.

TRYING THE HUMBERTS

Head of Family and M. d'Aurignae Under the Question.

MADAME THERESE EXCITED.

Denounces Presiding Judge For Unfairness and Otherwise Interrupts the Proceedings—Nothing Sensational Disclosed.

Paris, Aug. 11.—The trial of the Humbert family on the charges of forgery and swindling in connection with the fictitious Crawford millions, which began on Saturday, was resumed this morning and drew another large crowd to the Palais de Justice.

Mme. Therese Humbert continued to dominate the proceedings and created several scenes when the court attempted to examine the other members of the family. M. Bonnet, the presiding judge, insisted on examining Frederic Humbert, her husband, but Mme. Therese, rising, said:

"I demand to be heard. I am strong today and will explain where the millions are."

The judge, however, proceeded with the examination of the other defendants despite Mme. Humbert's con-

stant interruptions. During Judge Bonnet's searching interrogation of her husband Mme. Therese dramatically exclaimed:

"M. le president, you are clearly showing by your manner that you are against us. You should disguise your feelings and try to appear impartial."

The spectators were greatly amused at this outburst. The judge ordered Mme. Humbert to desist, but she again shouted:

"You are continually showing your prejudice."

Frederic Humbert Testifies. Frederic Humbert testified lengthily regarding the affairs of the Rente Viagere, the insurance concern which the Humberts started and in the crash of which thousands of poor people lost all their savings. He maintained that the operations were conducted in good faith and claimed that public prejudice aroused against the Humbert family brought about the failure of the concern.

He emphatically denied the judge's statement that the rooms in the palatial residence of the Humberts in the Avenue de la Grande Armee were connected by a system of secret telephones. Mme. Therese here also exclaimed, "Lies! More lies!"

Frederic Humbert said he had devoted most of his time to art and poetry, leaving all the financial operations to his wife.

The examination of Romain d'Aurignae, Mme. Humbert's brother, brought out nothing new.

Treaty Rights at Newchwang. London, Aug. 11.—A dispatch from Shanghai to the Times says that at the celebration of the anniversary of the capture of Newchwang the Russian administrator issued formal invitations for the inauguration of the Russian civil administration building and that this was interpreted as equivalent to a declaration to the representatives of the other powers that they could not claim a footing of equality or treaty rights in this Chinese treaty port.

WHAT THE OLD DOCTOR SAID.

"Doctor," said I, "you say appendicitis is much more common than it was thirty years ago."

"Indeed it is," replied the old doctor. "That we encountered this disease then, is true, but not with such appalling frequency. Appendicitis, these days, is almost as common as sore throat."

"To what, doctor, do you attribute this increase of appendicitis?"

"To hasty eating and to the use of foods which have a tendency to clog and fret the intestines and deaden peristaltic action. The way to avoid appendicitis and the surgeon's knife is to shun unnatural foods that beget intestinal torpor and constipation."

People who eat Shredded Whole Wheat Biscuits do not have constipation and hence need not fear appendicitis. This perfectly natural food preserves the tone of the digestive tract and induces every excretory gland to subserve the body's interests. Have you tried this most delicious of all cereal foods?

"I have been eating your Shredded Wheat for over a year and it has completely cured me of constipation, with which I had been troubled for twenty years." — Joseph Joseph, Bolinas Hall, Coronado Beach, Cal.

HONOR FOR MILES.

Elected Permanent President of Jefferson Memorial Association.

Washington, Aug. 11.—General Miles has accepted the office of president of the Thomas Jefferson Memorial association, and the association announces that his election is for the remainder of its existence. In his letter of acceptance General Miles says:

"I am in receipt of your letter of the 6th ult., notifying me that I have been unanimously chosen as president of the society organized for 'erection at the national capital of an appropriate memorial to the author of the Declaration of Independence.'

"The enunciation of doctrines in that instrument was so comprehensive, so far-reaching, so grand in design and noble in purpose, and resulted in such uplifting of the people of the new world and the millions who have followed that its importance can scarcely be expressed in words or comprehended in thought. This work, added to the other achievements of noble purpose during the life of its author, makes it fitting that we should erect a memorial indicating our appreciation of his genius and labors.

"Having the greatest sympathy with the object of the association, I shall gladly contribute anything within my power to promote the purpose indicated."

MAFIA MURDER?

Police Suspect It in Death of Italian in Illinois.

Rockford, Ill., Aug. 11.—In the murder of Mariano Greco, an Italian track walker for the Illinois Central railroad, all the signs point to a crime committed by the Mafia. The victim was joined as he left Perryville for Rockford by another Italian and the two walked together amicably up the track. About two miles east of Rockford Greco's body was found two hours later. His watch and purse were in his pockets and a considerable sum of money was in his belt.

It was supposed that he had been killed by a train until an examination at the morgue showed that he had been shot three times from behind, each bullet having struck a vital spot. The police are looking for his companion, but can get absolutely no help from any of the large gang of Italians at work in the city, even the dead man's brother being uncommunicative.

STRANDED IN ALASKA.

Three United States Senators Stuck on a Sand Bar.

Tacoma, Wash., Aug. 11.—When the steamship St. Paul left Nome ten days ago United States Senators Nelson of Minnesota, Patterson of Colorado and Dillingham of Vermont were stuck on a sand bar in the Yukon river 200 miles above Nulato.

These senators compose part of the senatorial committee appointed to investigate Alaskan affairs. After visiting Skagway and Juneau they went to Dawson and inspected Klondike mines. They started for the mining camps on the lower Yukon on the steamer Van Vleet. After visiting Eagle and Rampart the senators intended going direct to St. Michael's and Nome.

Officials at Nome were notified by wire last week of the party's predicament and wired the captain of the steamer Healy at Rampart to go to the rescue.

POPE TIRED OUT.

Obliged to Postpone Meeting of the Consistory.

Rome, Aug. 11.—Pope Pius X. is resting after the ordeal of his coronation. Strong as he is physically the pope was greatly fatigued by the ceremonies and was obliged to postpone the meeting of the consistory.

It being St. Lawrence's day, the name day of Abbe Lorenzo Perosi, the director of the Sistine choir and a close friend and protégé of Pius X., the pope sent him his personal greetings, accompanied by an autograph note congratulating him on the music given by the Sistine choir during the coronation ceremony, most of which was composed by the abbe.

STOCK MARKET IS BETTER

Irregular and Excited, but Not Demoralized, as Last Week.

NO FAILURES ANNOUNCED.

All Sheets Go Through Clearing House All Right—Gains in Many Issues Followed by Losses and Bulliness.

New York, Aug. 11.—Although very irregular and excited at the opening the stock market reflected very slightly last week's demoralization and alarm. There were only a few large losses in the initial transactions, and trading was not large in volume. There was not much evidence of further liquidation. The greatest losses were 2 points in Norfolk and Western and Virginia-Carolina Chemical, 1½ in Delaware and Hudson and 1¼ in Texas and Pacific and United States Realty preferred. Rock Island common and preferred and Steel preferred also sold down.

On the other hand, there were substantial gains. Canadian Pacific, concerning which fears of a corner were expressed last Saturday, opened with an advance of 2½. Union Pacific, which made a severe decline last Saturday, was up ¾, with fractional advances also in New York Central, Reading and Erie. Supporting orders rallied the list all around. Canadian Pacific made further improvement, selling up to 120.

General List Steadier.

In fact the advance in this stock helped greatly to steady the list elsewhere, the shorts covering very generally. Southern Pacific also gained materially. London, from all accounts, bought considerable stock at the opening. All sheets went through the Stock Exchange clearing house all right.

During the late forenoon, however, many of the early gains were wiped out. Some of the minor and more obscure issues fell from 3 to 5 points by early afternoon, prior to which there were breaks in Manhattan and Missouri Pacific.

Pressure among the leaders centered upon Missouri Pacific, which fell 2 points under Saturday. Atchafalpa, Rock Island preferred and Pennsylvania got a point under and Manhattan ½. Other losses were Rome, Watertown and Ogdenburg 5½, American Express 5, Pressed Steel Car 4½, New York Air Brake 4½, Consolidated Gas 4, Southern Railway preferred 3½ and Texas and Pacific Land Trust 3. The market steadied again and became dull.

There was some further decline late in the afternoon. Southern Railway preferred receding 4½ and Atchafalpa preferred 1½. A vigorous rally then set in, the buying movement showing considerable animation. The Pacifics, Atchafalpa, St. Paul, New York Central, Baltimore and Ohio, Erie first preferred, People's Gas, Sugar, Tennessee Coal and Iron, Metropolitan Street Railway and Consolidated Gas recovered 1 to 2. Northwestern preferred rose 2 over Saturday and Minneapolis, St. Paul and Sault Ste. Marie 1½.

Belgrade, Serbia, Aug. 11.—King Peter's children, Crown Prince George, Princess Helena and Prince Alexander, have arrived here from St. Petersburg. The king awaited their coming at the station. The premier welcomed the crown prince, who expressed his delight at arriving on the soil of his forefathers. The royal party subsequently attended a "Te Deum" at the cathedral.

Atlanta, Ga., Aug. 11.—Governor Terrell has taken up the whipping of Miss Decrist, a white prisoner from Savannah, at the Milledgeville prison farm, and will call on the prison commission to make an immediate and thorough investigation of all facts pertaining thereto and to report to him that he may take proper action. If the facts are as represented, the governor, it is stated, will seek to punish severely those who are at fault.

Tropical Worm Disease in Germany.

Berlin, Aug. 11.—The government's efforts to check the tropical worm disease among the mine operatives in the Essen district have proved unsuccessful. The latest reports indicate that the disease is spreading. Its presence has just been discovered in the collieries of Franziska and Bergmann, in the middle of the Ruhr region, which hitherto has been exempt from the disease.

Big Fighters Take It Easy.

San Francisco, Aug. 11.—Both Jeffries and Corbett are taking it easy, doing practically no work. Jeffries has announced that he will do no more boxing, but he has not yet fixed a date for leaving Harbin Springs for this city. Corbett will discontinue his routine. There has been some betting at odds of 2 to 1, with Jeffries the favorite.

PRINTERS IN CONVENTION.

Forty-ninth Session of International Typographical Union.

Washington, Aug. 11.—The forty-ninth session of the International Typographical union began at the Columbia theater with a large majority of the 315 delegates present. The theater was lavishly decorated with the national colors and the stage with palms and flowers. Chairman Whitehead of the local committee on arrangements presided, while by his side sat Secretary Cortelyou of the department of commerce and labor; Public Printer Palmer, and a number of other prominent men.

The services were opened with prayer by Rev. George E. Maydwell, pastor of the Waugh M. E. church, who was formerly a printer. He was followed by Commissioner Macfarland, who delivered the address of welcome, and he in turn by Hon. Willis Moore, chief of the weather bureau. Mr. Moore was at one time a printer and he spoke as one of the craft, congratulating the union upon its strength, upon the progress made and the influence exerted. He spoke also of the president of the United States as a friend of labor and congratulated the convention upon that fact. Vice President Dan E. Vaughn of the local union also welcomed the visitors.

President James M. Lynch responded to the welcoming addresses. The convention then adjourned in order to permit the members to accept the invitation of the local union to spend the remainder of the day in an excursion down the Potomac.

Shot Wife and Self.

Norfolk, Va., Aug. 11.—Heavy Carpenter, a street railway conductor, shot and seriously injured his wife. He then blew his brains out. The tragedy occurred at Lambert's point. The woman, with her sister, was about to board a car to go to work. She had not lived with her husband for a month. Carpenter tried to persuade her to return to him. She refused and struck him over the head with her parasol. He then shot her. As she fell he placed the weapon to his head and fired. The wife, it is thought, will recover.

Philadelphia Victims May Die.

Philadelphia, Aug. 11.—No additional deaths have occurred as a result of the accident on Saturday at the National league baseball park. There are seven persons in different hospitals, however, who are lying at the point of death and who, the physicians say, have but slight chance of recovery. Of this number five are suffering from fractured skulls and two from concussion of the brain. There yet remain in the various hospitals nearly one hundred persons victims of Saturday's accident. Their injuries consist chiefly of fractured limbs, sprains and contusions.

RECORD OF THE PAST.

No Stronger Evidence Can Be Had in Barre.

Look well to their record. What they have done many times in years gone by is the best guarantee for future results. Anyone with a bad back; any reader suffering from urinary troubles; from any kidney ills, will find in the following evidence proof that relief and cure is near at hand.

L. H. Hooker, contractor and builder of 191 Prospect St., says: "I doctored and used almost every known remedy for my kidneys, but nothing did me any good. There was a constant dull pain just over those organs, and I could not sit but a short time, for it made me so nervous that I had to get up and walk around. A kidney weakness which was very annoying and painful through the night existed, while in the morning there was a distressing retention. I was very bad when I heard of Doan's Kidney Pills. I got a box at E. A. Brown & Co.'s drug store, No. 48 North Main Street, Barre, Vermont, more out of curiosity than expecting results. Well, after using it, I felt so encouraged that I continued the treatment and took five boxes in all. I felt better in every way than I had for a number of years. I never used a medicine that did me as much good as Doan's Kidney Pills. Doan's Kidney Pills are for sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no substitute."
